1. Concept of cookies

Cookies are files with a small amount of data which may include an anonymous unique identifier. Cookies are sent to your browser from a website and stored on your device.

When you visit Warranium Energy websites, information is stored on your terminal device in the form of "cookies." Cookies are small files that are stored on your terminal device and save certain settings and data to exchange with our websites via your browser.

For each visit to the websites, our server automatically recognises and stores the visitor's IP address. In addition, our websites use cookies that may automatically collect information from you such as your area code, region and sign-in username. For example, cookies enable us to store your password so that you do not have to re-enter it every time. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our services.

2. Data Protection

In certain circumstances, the use of storage and data recovery devices in the terminal equipment of the recipients, such as cookies, may involve the processing of personal data. Said data processing will be legitimated if the users have given their consent about the purposes of data processing.

In this sense, the personal data (hereinafter, the "Data") that the user of this website provides to the owner of the website, at the time of navigation through the website, and through the use thereof, will be processed with the express consent of the user for the following purposes:

- a) The provision of the services offered by Warranium Energy through the website.
- b) The analysis of the user's browsing habits.

Warranium Energy may provide the data too service providers that may eventually have access to the user's data on behalf of Warranium Energy (for instance, companies that provide technology and information services).

Users may withdraw their consent at any time. If you do not want us to recognise your terminal device, please configure your internet browser to erase all cookies from your device, block all cookies or receive a warning before a cookie is stored. You can control and/or delete cookies as you wish – read about it here:

www.aboutcookies.org.

Additionally, the User may control rights of access, rectification, erasure, object, restriction of processing, portability, and has the right to not be an object of automated individual decision-making, including profiling.

3. Authorisation of the use of cookies

In accordance with the Cookie Policy, Warranium Energy will use cookies for the purposes detailed in this Policy. The user of this website may modify or reject the cookies.

4. Types of the cookies

The user who browses the Web can find cookies inserted directly by the owner of the website, or cookies inserted by third parties.

Cookies can be assigned to four categories, depending on their function and intended purpose: session cookies, preference cookies, security cookies, and marketing cookies.

Examples of Cookies we use:

- a) **Session Cookies:** We use Session Cookies to operate our services.
- b) **Preference Cookies:** We use Preference Cookies to remember your preferences and various settings.
- c) **Security Cookies:** We use Security Cookies for security purposes.

- d) **Marketing Cookies:** are used to offer more relevant content to users, based on their specific interests. Warranium Energy doesn't apply marketing cookies.

5. Managing cookies

Please note that all the cookies mentioned below will necessarily be used when you browse our website using a mobile terminal device.

Performance cookies: We use Adobe Analytics on our website for constantly improving the website and/or detecting errors. For this purpose, Adobe Analytics anonymously stores and analyses various kinds of data, including the visited website and the website's metadata, websites that link to Warranium Energy, the time of the visit, and the browser used.

Please click [Here](#) to prevent Adobe Analytics from aggregating and analysing the data collected from your visit to this website. By doing this, you will create a so-called exclusion cookie in your browser. It contains no personal data but technically enables Adobe Analytics to permanently recognise your preference.

Deleting the exclusion cookie or switching browsers will require another creation of an exclusion cookie via the same process listed in the previous paragraph.

6. Browser Settings

We remind Warranium Energy website users that the use of cookies is subject to acceptance. This acceptance may be revoked. Please note that certain functions of our website may no longer work, or not work correctly, without cookies.

If you do not want us to recognise your terminal device, please configure your Internet browser to erase all cookies from your device, block all cookies or receive a warning before cookies are stored. You can control and/or delete cookies as you wish. Find more information at www.aboutcookies.org or via the provider of your browser.
